

Opportunities for sponsorship @Consett CC

Consett Cricket Club

Consett Cricket Club is located at Hope Street Blackhill. Renowned for its fantastic views and inclusive approach, we believe we are a fantastic part of our local community. We currently field 2 Saturday senior teams competing in the Northumberland & Tyneside Cricket League, 1 senior Sunday team in the Hetton Lyons Sunday Cricket League and a growing junior section numbering greater than 60 participants! We look forward to welcoming more local children and families for the 2023 season.

Over the last couple of years we welcomed a range of new sponsors which helped us achieve some of our major goals for the club. We have recently installed a permanent outdoor net facility and have purchased pitch covers which we believe will improve our club further. We have been able to construct an outdoor seating area and a downstairs accessible bar service point to help us to boost our match day revenue. We have also made improvements to our changing and toilet facilities as well as being able to send more club members on coaching courses to assist with the development of our future stars through our All Stars, Dynamos and junior coaching sessions.

Installation of outdoor nets which was completed in 2020 thanks to support from sponsors and grant funding.
