

Opportunities for sponsorship @Consett CC

Consett Cricket Club

Consett Cricket Club is located at Hope Street Blackhill. Renowned for its fantastic views and inclusive approach, we believe we are a fantastic part of our local community. We currently field 3 senior teams competing in the North Tyneside Senior League and a growing junior section numbering greater than 60! We look forward to welcoming more local children and families for the 2021 season.

Sponsorship

During 2019 we welcomed a range of new sponsors which helped us achieve some of our major goals. Unfortunately, Due to Covid-19, we were hindered last year but hope to welcome cricket back to Blackfyne in 2021. Last year however, we installed a permanent outdoor net facility and have purchased pitch covers which we believe will improve our club further. We aim to improve facilities for members and the community even more in 2021.

What we offer

For the 2021 season we are offering a sponsor board measuring 75cm x 150 cm. Installed around the perimeter of the field, an example can be seen to the right. Further, we are offering sponsorship of our newly purchased pitch covers. A banner 3m x 1m will be attached to the covers which will primarily be situated in prime location at the centre of the field.

When will your board/banner be seen?

- Senior home matches every Saturday and most Sundays
- Senior 20:20 games during the week
- We will be running several junior teams in the 2021 season
- Our junior All Stars sessions and matches on a Sunday morning attract up to 100 children, with parents
- We host several junior cricket festivals during the season, which again are attended by over 100 children and parents
- We have hosted several fun days at the ground, including other organisations as well as our own.

In addition to your own advertising board, we also have a display of all of our sponsors next to the main entrance door and have created fixture lists with all of our sponsors on. Sponsor thumbnails and links can be seen on our website.
